

WALL TIES

MULTI TIE WALL STARTER

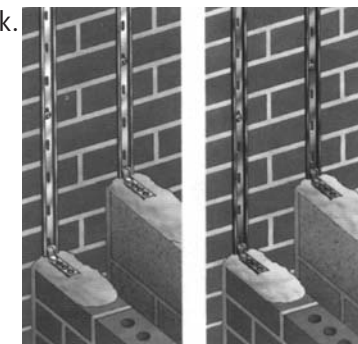

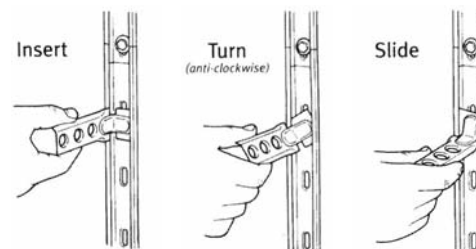

QTY PER BOX
12

Featuring a 'turn-n-slide' to accommodate all sizes of brick/block. The Multi-Starter is suitable for all wall widths from 60mm-250mm

INSTALLATION

- The turn-n-slide ties enable the starter to be tied into any course the builder wishes, ideally every (225mm deep) block course or every third course of (75mm deep) bricks.
- Each pack contains two 1165mm lengths. Slots at each end allow easy connection of one length to the next.

Stainless Steel
Ref. MSSS
